

## **Shauna Watts for Fairview City Council**

*Trust • Growth • Community*

July holds a special place in my heart—not only as the month of our nation's birth but as a time to reflect on the courage and sacrifice of those who fought for our freedoms. Their legacy inspires my commitment to preserving the values we cherish in Fairview: life, liberty, and the pursuit of happiness.

I'm honored to run for an open seat on the Fairview City Council. I am a proud, long-time resident of Fairview, I've had the privilege of serving our community as a past member of the Fairview City Planning and Zoning committee and most notably as a member of the 24th of July Pioneer Day committee, for the last two decades.

I hold a Bachelor's in Communication with an emphasis in Public Relations and a Master's in Business Administration. As a previous owner and operator of a small business in Fairview, along with supporting my husband's current business, I understand firsthand the importance of managing budgets, setting sound policies, and shaping ordinances and land use regulations that guide the growth of our city.

My passion for public service has led me to:

- Serve on **multiple county coalitions**
- Hold a board position with the **Sanpete Chamber of Commerce**
- Act as **Vice Chair of the Sanpete County Republican Party**
- Represent our community as a **State Delegate** and **North Area Chair**

Fairview is more than where I live—it's where I've raised my family and built lifelong connections. For the past 30 plus years that we have lived here, our town has stood as a testament to closeness, resilience, and a shared sense of purpose. I believe deeply in the strength of our people and the future of our city.

I humbly ask for your support and your vote to represent you on **Fairview City Council**—with a vision grounded in trust, guided by experience, and focused on community.
